📄 SYNOPSIS

I am a **passionate software developer** with **2.6 years** of professional experience working in Hotels Technology Development for **India's largest online travel company**. I am equipped with the right blend of technical and behavioural competencies required in a modern digital era with a belief to help and serve the community at a global level.

📁 PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER, MakeMyTrip Pvt. Ltd.

04/2021 – 12/2022

In my role of backend developer in **Hotels Technology Department** I've:

- Developed micro-services to serve the backend data efficiently and to make the application scalable.
- Introduced contextualization of the customer experience in the Hotels Funnel.
- Led the project to produce Group Booking feature for B2C funnel.
- Collaborated in unification of MMT-GI code base.

SOFTWARE ENGINEER INTERN, MakeMyTrip Pvt. Ltd.

07/2020 – 03/2021

In my role as android front-end developer for four months and as a java backend developer for five months I've worked on:

- Understanding the customer's problem's and coding, designing and collaborating to create solutions.
- Debugging project bugs and rewriting the code efficiently.
